

COMBINATION COURSES

Factsheet 2018

DESCRIPTION

Students looking to learn Spanish as quickly as possible should consider a combination course. This way they have the social benefits of a group class - learning and listening to other students of the same Spanish level - as well as focusing on their specific needs in additional individual lessons. Students can progress through our levels at a faster pace than just normal group lessons. Regular combination courses include Intensive Spanish 20+10, Intensive Spanish 20+6 and Intensive Spanish 20+4.

QUICKFACTS

- 20 group lessons + indicated amount of private lessons per week
- Begin every Monday
- For complete beginners to advanced students
- Minimum of 1 week, maximum of 30 weeks
- Average of 6 students in class, maximum of 12
- Schedule - mornings and afternoons
- 1 group lesson is 50 minutes, 1 ind. lesson is 55 minutes

COURSE OPTIONS

- **Intensive Spanish 20+4:** Group course + 2 private lessons of 2 hours per week.
- **Intensive Spanish 20+6:** This course includes 3 private lessons of 2 hours per week.
- **Intensive Spanish 20+10:** This course includes 5 private lessons of 2 hours per week, making it the most intensive course Expanish offers.

RAPID FLUENCY DEVELOPMENT

With the addition of individual lessons, students have an opportunity to explore in more depth the themes and topics discussed in group classes. The teacher can focus on the areas in which the student needs more attention and cover additional content. This allows some students to move faster through our level progression, making a combination course the best course for those looking to learn Spanish as fast as possible.
